

MOULTON COLLEGE SPORTS ACADEMY A LEVEL OFFER

Moulton College Sports Academies run alongside the academic provision and are intended for students wishing to develop their skills in their sport as well as gaining a nationally recognised qualification. All academies are available to students studying on FE courses (A level, First or National Diploma) and HE courses (HND/FDg/BA/BSc).

For the first time we are able to offer A levels as part of the Sports Academy provision in partnership with the two highest achieving A level providers in the county: Northamptonshire Grammar School and Bishops Stopford School, Kettering.

Northamptonshire Grammar is the county's leading independent day school, located in Pitsford village close to the College. The Sixth Form offers 17 subjects and is structured so as to provide a stepping stone from the discipline of the Senior School to the more relaxed learning of University or further education (www.ngs-school.com)
